

DETERMINATION COURSE OF EUGLENOIDS

7th August – 11th August 2023 in České Budějovice, Czech Republic

Five-day course focused on the determination of freshwater representatives of photosynthetic and colourless euglenoids especially from the European region together with common ubiquitous species. The course will consist of theoretical lectures focused on modern taxonomy based on the molecular-morphological data (polyphasic approach) together with ecological and biomonitoring connotations. Theory will be complemented by practical microscopy sessions. It is possible for the participants to bring their own samples or microphotographs of the species for identification. The course will contain a one-day excursion with sampling.

Registration is open!

Jihočeská univerzita
v Českých Budějovicích
University of South Bohemia
in České Budějovice

► **Organizer** – Faculty of Science, University of South Bohemia in České Budějovice, Branišovská 1760, 370 05 České Budějovice.

► Course language is **English**.

► The course will be implemented in form of lectures and microscopy sessions will be held in a modern equipped laboratories and lecture rooms.

- Coffee breaks will be provided during the day.
- Maximum of participants is limited to 18 (due to the capacity of the room).

► All participants will receive a certificate confirming their participation in the course.

► **Lecturers** – Małgorzata Poniewozik, Josef Juráň & Jaroslav Kubín

► **Program**

- Monday – News in the taxonomy of euglenoids, Photosynthetic genera I. – theory and microscopy session. Welcome party.
- Tuesday – Sampling trip (in the form of a hiking trip) to Vrbenské rybníky nature reserve and surrounding areas.
- Wednesday – Photosynthetic genera II. – theory and microscopy session.
- Thursday – Colourless genera – theory and microscopy session. Farewell party.
- Friday – Microscopy session and consultation (own samples, photos etc.).

► **Fees**

- Live participation (includes printed and electronic materials; welcome and farewell parties, coffee breaks; salary for lecturers)
 - full fee – 400 EUR
 - reduced fee (for students) – 275 EUR.

► **Important data - deadlines**

- March 2023 – opening of the registration
- **31st May 2023 – deadline for registration**
- June 2023 – sending invoices to pay fees
- 8th July 2023 – possibility to cancel your participation without cancellation fee.

You can register and follow the news on the website.
